### 5 Reasons You Should Empower Your Workers

Getting things done is what managers do; empowering people is how managers do it! We live in an era of high demand for quality managers. Organizations expect managers to quickly develop agendas and use their entrusted positional power to produce results. We have been through the training sessions on empowering people, but what does "empower" actually mean? Why should we do it?

Empower simple means to promoting ownership. Here are **5 reasons why you should empower your workers...**

### Don't Forget AMS Scholarship Applications Are Due Tomorrow

The Institute of Certified Professional Managers (ICPM) is excited to accept applications again for the **Administrative Management Society Foundation** scholarship. The merit-based scholarships create a legacy to the Administrative Management Society which ceased operations in 1992. **Applications are due tomorrow, August 31, 2019.** Click the image below to visit the application page.

### The CM Certification gets government approval in Bahrain

The Bahraini government has approved the CM Certification for citizens to acquire for free. Please contact the Oasis Training Center for more information or click to picture below to visit their website.

**The Certified Manager CM®**

The Certified Manager (CM®) certification is a professional credentialing program that verifies an individual's ability to manage and lead with a level of competency.

On completion of this course, the participants should be able to:

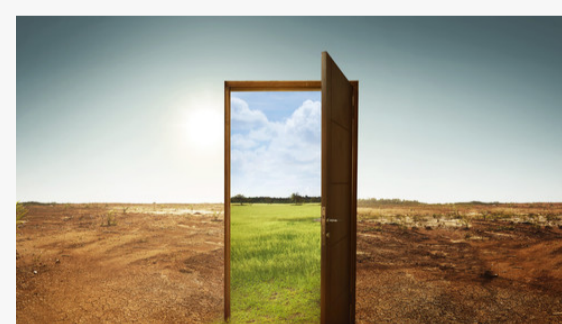

- Understand the nature and importance of managerial decision making.
- Differentiate between programmed and non-programmed decisions.
- Identify the steps in the decision-making process.
- Contrast the advantages and disadvantages of group decision making.
- Provide examples of behavioural influences that can impact decision making.
- Explain the role that organizational learning and creativity play in improving decisions.

**12 days ( 90 hours )**
